

UC RIVERSIDE - Student Comments of Instructor,
Discussion Courses - Spring 2025

Course: CS 163 Section: 021 - PRIVACY TECHNOLOGIES
Instructor: Md. Olid Bhuiyan

Question # 18: YOUR CONSTRUCTIVE COMMENTS ON YOUR GRADUATE STUDENT INSTRUCTOR'S TEACHING SKILLS ARE EXTREMELY IMPORTANT. PLEASE WRITE YOUR COMMENTS IN THE TEXTBOX BELOW. PLEASE LIMIT YOUR COMMENTS TO 2000 CHARACTERS.

- Olid helped reinforced any learnings during class. Also provided efficient slides to go over the important concepts we should know. Answered many clarifying questions thoroughly,
- Olid was well-organized and explained the material very well. He was one of the few TA's I had that took the effort to make their own material for discussions. The discussion material complemented the lecture material well. Olid was very helpful in assisting us to find topics for our own discussions.
